

Kentish Killer Sportive – 3rd March, 2019

Sportive started at Brands Hatch today and from the start the weather was against the cyclists! Wind and rain for most of the day but the competitors battled through and completed the sportive with good times. 4 KHW riders took part.

Mark Watson - 50 miler - 3hrs 53 mins. Mark's comment: "Hardest road trip I've ever done and will not be doing it again!!"

Phil Coupland - 100 miler – Phil's comment: "Well that was brutal, long course, 3 punctures, riding time 5 hrs. At one point the wind stopped me from riding, going from 17 mph to 0 mph in one gust. All those who decided not make the ride, you made you right decision!"

Paul Williams – 100 miler – comment: "Just finished that was a killer" ha ha!

Robin Holden – 50 miler – Robin's reply to Paul: "that's a good name for the ride!!".
