

KINGS HILL WHEELERS BBQ

We held our first BBQ this weekend.

Big thank you to Scottie for arranging the event and also supplying lots of food. Thanks to Mat and Teresa for the meats and also Mat's very interesting cocktails!! They were very popular.

The BBQ was well attended and I believe everyone had a fab time. Great venue!

A big thanks to both Rick and Graeme who were on cooking duty and they made a fabulous job of it too. I thought the food production was excellent, especially the cheese burgers which were a firm favourite.

It was great to see Sarita from Air Ambulance and Emma from Heart of Kent Hospice. The ladies sent a thank you note today for inviting them both along. Also has an email from Paula, from Action Medical Research who unfortunately was not able to attend.

It was good to see Mike on Saturday looking fit and well and using his bike. Pretty good for him after his ordeal!

Look forward to the next one!

Graeme and Rick
our top chefs!

Everyone enjoying the food
and the cricket!!!
